Presentation design

This presentations uses the following typographies:

- Titles & Body copy: **Cousine**

You can download the fonts on this page:

<https://www.fontsquirrel.com/fonts/cousine>

You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®

SlidesCarnival icons are editable shapes.

This means that you can:

- Resize them without losing quality.
- Change fill color and opacity.

Isn't that nice? :)

Examples:

Diagrams and infographics

Now you can use any emoji as an icon!

And of course it resizes without losing quality and you can change the color.
